

# THE BIGGEST TECH CONFERENCE IN CENTRAL AND EASTERN EUROPE

**Infoshare 2024 Attendees**

# Introduction

Infoshare 2024 was yet another successful conference! Almost six thousand people joined us for this 2-day event at the junction of business, technology and marketing. We are convinced that even more attendees will join us for Infoshare 2025!

Infoshare at its very core is all about the community of our attendees: developers, startups, investors, executives, innovation leaders, marketers and media representatives. The conference provides them with practical knowledge, tons of inspiration and lots of opportunities to network and form meaningful relations.

We kindly invite you to read the following report on Infoshare 2024 Attendees, which includes all the useful data and analyses of this year's attendees. This publication emphasizes the reasons why you should invest in joining us for the conference as well as the basis for our firm belief that Infoshare brings great value to both our community and partners.
